Job description

- Design a high-performance community platform and build one of the related features: chat, newsfeed, group, RBAC, notification, payment, subscription, admin portal, blockchain dapp,...
- Participate in code and design reviews to achieve and maintain high development standards.
- Work with engineers, product managers, and senior leaders to turn our product and technical vision into a tangible roadmap
- Write efficient, testable, maintainable, and scalable code to implement Backend APIs.
- Write documents, cross-review, support other members, and do knowledge sharing.
- Add positive energy in every meeting, and make your coworkers feel included in every interaction.

Requirements

Must have:

- More than 2 years of experience in Backend development, at least 1 year in NodeJs (Javascript/Typescript) with proven experience in:

Relational databases (Postgres) or NoSQL (MongoDB)

Unit Test (using Jest, Mocha, etc.)

GIT

- Good working attitude, problem-solving, critical thinking, and communication skills.
- Good knowledge about data structures and algorithms.
- Enjoy technical challenges and be eager to explore new technologies.

Nice to have:

- Experience in developing one of the following areas: (1) newsfeed system, (2) chat system (3) notification system (social media platform) is a big plus.
- Experience in developing distributed systems on top of microservices architecture, event-driven architecture using Nodejs, Kafka (or RabbitMQ), etc. is highly welcome.
- Having experience or knowledge of Test-driven development and writing clean code is very good.
- Experienced working on Redis, and Elasticsearch.
- Have knowledge of CI/CD (Circle CI), cloud platform (AWS, Digital Ocean), and container orchestration platform (ECS, Kubernetes).

Benefit

- Up to 14 months salary (13th month's salary and KPI bonus)
- Included: social insurance, health insurance, unemployment insurance... according to the provisions of law.
- Competitive and attractive salary based on candidate's ability

- Working day: Monday - Friday
- Working time: Flexible [8:00 - 9:30] to [17:00 -18:30] - 8 hours/day excluded lunch time [12:00 to 13:00]
- Annual leave 15 days/year
- Review salary once a year
- Workshop once a year
- Offer free snacks, coffee, tea...
- Support for self-development (Book, Online lesson, Study group)
- Parking allowance
- Birthday party & present
