Education:

Majoring in Information Technology, Mathematics, Electronics and Telecommunications, Mechatronics and related fields.

Experience:

1-2+ years' web development experience required (Junior Level).

3+ years' web development experience required (Senior Level).

Experience of developing distributed server, large-scaled server using AWS preferred.

Have knowledge in Test Driven Development (TDD), CI/CD.

Proficient understanding of PHP 7+, Laravel 5+, MySQL 5+, Linux, RESTful API.

Good at using Linux, MySQL and Git.

Deep knowledge about OOP, SOLID, MVC patterns.

Experience with relational databases (MS SQL, PostgreSQL or Oracle) and NoSQL databases (MongoDB, DynamoDB, Elastic Search, Redis, or Cassandra)

Skills:

Experience in unit testing with tools such as PHPUnit, Jest, and various other utilities.

Good problem solving, collaboration, and communication skills.

Can proactively learn and gain necessary skills for existing or future project.

Creating database schemas that represent and support business processes.

Medici encourages:

Experience and good at NodeJS, Python is a plus.

Basic understanding of English on Reading and Writing skills.

Benefit

WHY MEDICI?

Considering whether it's worthwhile joining us? Here are the top 4 facts.

- Fast-track career tailored to your strengths: Can't compromise deadlocked processes and conventional career roadmap? We don't have such things at Medici. You shine. You contribute. You get lifted to your worthy position. Period.
- Growing your competencies with top experts: We are a start-up made of veterans: Insurers and techies, marketers and business developers from the top companies.
- Dynamic and diverse environment: We value diversity and inclusivity. We create a natural habitat for you to thrive as long as we work on a vision, you are a part of the team.
- Making social impacts across every move: Protecting the life of millions, or creating technology initiatives are not stock phrases for us. We are living those words everyday, as we seek to address the complexity of insurance and healthcare in low-tier cities nationwide like Dak Nong, Lai Chau, Con Dao, etc.

WHAT MEDICI WOULD OFFER

- Class A office with cool workspace in Hanoi, Ho Chi Minh and Thanh Hoa center.
- Office exchange opportunity (Hanoi - HCM office).
- Work with leading experts and talented partners.
- Work in a transparent, trustable and inspirational environment.
- Have social insurance, health insurance, PTI care and time off due to Vietnam National Law.
- Get favourable deals on internal purchasing for company product(s).
- Performance bonuses and awards.
- Participate in bonding and well-being activities: Company events, Happy Friday, Monthly Birthday party, Mediball Football Club, Physical and mental healthcare workshop, etc.
