Job description

Responsibilities

- Design and develop stable, secure and highly available web applications with great user experience.
- Analyze requirements, identify potential problems and develop appropriate solutions.
- Design and develop our platform services and tools, supporting the continuous development of existing products.
- Participate in all software development activities following the Scrum process.
- Maintain high-quality codebase.

Requirements

Basic Qualifications

- 2+ years of non-internship professional software development experience.
- Minimum 1 year experience in ReactJS and Redux (preferred)
- Proficiency in HTML/CSS/JS; Familiarity with Typescript is a plus.
- Hands-on experience working with Ubuntu/CentOS, REST API, web socket, and cloud services such as AWS (preferred), Heroku, GCP.
- Familiarity with CI/CD and TDD practice.
- Bachelor's degree in Computer Science or equivalent experience.
- Good English skills, especially speaking and writing.
- Willingness to learn new technologies.

Preferred Qualifications

- Good knowledge of web design; Commitment to deliver great user experience.
- Basic knowledge of software design, computer networking, algorithms and data structures.
- Good knowledge of design and development of secure web applications.
- Good communication skills in English and Vietnamese; Ability to articulate effectively technical challenges and solutions.
- Ability to deal well with ambiguous and undefined problems.
- Ability to write well-documented, well-tested code.
- Hands-on experience with NextJS, SEO.
- Familiarity with back-end stack such as NodeJS, MongoDB, MySQL, PostgreSQL, Redis, RabbitMQ.
- Professional, honest, open-minded and have an overall positive attitude.

Benefit

- A friendly and international working environment.
- Flexible working hours.
- Competitive salary, including 13th month salary.
- Annual health checkup.
- Attractive health care insurance package.
- Up to 18 days paid Annual Leave.

At C2C Tech Hub, there are no restrictions on nationality, gender nor working style.
